Lot Times & After Hour Parking Policy

Definition & Purpose
This policy establishes standard Lot Enforcement times for parking on campus. The policy intends to (1) reduce and simplify the campus enforcement times, (2) establish consistent lot times, and (3) provide balance for after hours parking needs (public, faculty/staff, and restricted use) campus-wide. The policy defines the hours of control for surface lots and garages.

Policy
• UW Transportation Services establishes Lot Enforcement times in cooperation with UW Police, and will annually review placement of lots in categories.
• Parking is restricted to marked stalls or signed parking areas only.
• Reserved and Disabled stalls are enforced at all times.
• Service stalls are enforced as posted.
• All UW campus parking areas will be signed and enforced as signed at the entrance to the facility.
