Tips for Employees

BUS PASS

- Most UW employees are eligible for a bus pass for Madison Metro. UW Transportation Services highly subsidizes the bus pass for UW employees. UW Health/Hospital employees will have the full cost of their bus pass paid for by UW Health. Order online with your Net ID or present your Wiscard or UW Health ID at any Transportation Services office during regular hours. See transportation.wisc.edu/transportation/bus_pass.aspx
- For personalized bus route assistance: transportation.wisc.edu/forms/commutersolutions.aspx
- Real time bus arrivals, bus route planning and mobile apps: www.cityofmadison.com/metro/planyourtrip/google-plantrip.cfm or mobile.wisc.edu or google.com/maps
- Departures for all bus stops: www.cityofmadison.com/metro/busstopdepartures
- UW-Madison campus interactive map: map.wisc.edu

CAMPUS BUS

- Routes 80, 81, 82, and 84 are free to students, employees, and campus visitors. For maps and schedules see www.cityofmadison.com/metro/schedules or map.wisc.edu
- When riding the campus bus, be sure to remain behind the yellow standee line for safety. Standing in front of this line obscures the driver's view and can lead to crashes.

BICYCLING

- Personalized bicycle route assistance: transportation.wisc.edu/forms/commutersolutions.aspx
- City of Madison bike map: www.cityofmadison.com/bikeMadison/planTrip/map.cfm
- Registration:
  All bicycles are required by law to be registered, and this can be your best insurance policy for seeing your bike again if it is stolen. A four-year license costs $10 and can be purchased at any UW Transportation Services office, many Madison bike shops, or online through www.madisonpay.com.
- Bike sharing:
  o B-cycle provides bike sharing stations throughout campus & the City. Annual memberships are only $20 for UW, UW Health & UW Extension employees with their work email address. See madison.bcycle.com
- Bicycle Rules:
  o Bike racks are located near most buildings on campus. Park and lock your bike only at these designated racks; locking your bike to anything else is not permitted.
  o Cyclists using roadways are required to comply with all traffic signals and laws.
  o A white front headlight and rear red reflector are required by law.
  o Use of a bicycle helmet is strongly recommended.
- Theft:
  You can reduce the chance of having your bike stolen if you follow a few common sense precautions.
  o Invest in a high-quality bike lock and always use it.
  o Make sure to lock your wheels AND your frame TO THE RACK
  o Remove expensive items such as bike bags and lights prior to leaving your bike.
  o Avoid leaving your bike locked in one place for extended periods of time, except outside at designated overnight storage racks at the residence halls. Your bike could be considered abandoned and be impounded if it is left in one place on campus without being used.

(see reverse for additional information)
CAR SHARING
Car sharing is like a short-term car rental. All costs (gas, insurance, etc.) are included in one, low hourly rate. UW students (including international students) and employees age 18 and up are eligible to apply. Zipcar provides car sharing service at several campus locations. See www.zipcar.com/wisc for details.

CAR PARKING
Available parking on campus is limited. Information on applying for permit parking or using visitor parking is available at transportation.wisc.edu

MOPEDS
Mopeds are required to have a parking permit and only to park in designated stalls on campus in their permitted lots. For details see transportation.wisc.edu/parking/permit_motorcycle.aspx

CARPOOL AND VANPOOL
Carpooling and vanpooling can greatly reduce your commuting costs. Visit Rideshare, etc. for more information at www.rideshareetc.org

PARK AND RIDE
Several designated park and ride locations exist in Madison, including paid permit parking at several UW park and ride lots. For more information, see transportation.wisc.edu/transportation/parkride.aspx

SUPPORT SERVICES
• Flex parking: Pay as you go permit parking: transportation.wisc.edu/parking/permit_flex.aspx
• Emergency Ride Home: Free emergency cab rides home, for those who don't drive alone to campus transportation.wisc.edu/resources/emergencyride.aspx
• SAFE nighttime services: transportation.wisc.edu/transportation/safeservices.aspx
• Route planning and other commuter support: tdm@fpm.wisc.edu transportation.wisc.edu/forms/commutersolutions.aspx
