Projects organized chronologically; project details may change due to weather or other factors. **See Inset 1 for more details**

A) Utilities - W. Dayton Street until December 2019
Street closed from Charter to Park Street. Access to Lot 44 maintained at all times. Route 80 bus detours via Charter Street to Johnson Street. Northern sidewalk closed along Dayton Street in construction--detour to southern sidewalk. **See Inset 1 for more details**

B) Bascom-Lathrop utility project
Package 2 started early September 2019. Full project to last through November 2020. Lathrop Drive closed to through traffic. Lot 115 only accessible from N. Charter Street and Lot 5 only accessible from Park Street. Lincoln Drive closed. Pedestrian walkways between Lathrop Hall, South Hall, Birge Hall, and the Law Building closed. Some walkways also closed near Bascom Hall. Follow detour signs on site. **See Inset 2 for more details**

C) Linden Drive new parking facility construction until late Fall 2020
Part of Lot 62 closed to make space for a new gated parking facility. Project will include underground utility work, which has closed several sidewalk areas. The triplex path running behind Vet Med closed Oct. 21 until March 2020. Nov. 11-22, Observatory Drive to the east of the Natatorium will be closed to traffic. Detour available via Easterday Lane and Linden Drive. Metro Transit buses (including campus Route 80 and 81) detour to Linden Drive from Babcock Drive to Easterday Lane. **See Inset 3 for more details**

D) The Nicholas Rec Center construction until late (Fall) 2020
Lot 67 closed until construction completed.

E) Mills Street NB closure Southbound traffic closed June 14 - August 2021
Two-way traffic to open January 2022. **Southbound traffic will temporarily be unavailable on November 8, 13, and 14. Then southbound traffic will close November 14 until late 2020, meaning Mills Street will be closed to traffic between University Avenue and Johnson Street. Detour using Brooks, Charter, or Park Street.**

F) Babcock Hall addition until Spring/Summer 2021
Much of Lot 40 east closed by Babcock Hall. A temporary driveway available to the west of the Stock Pavilion; the "Farm Place" driveway is closed. Two-way traffic allowed on Babcock Drive from Linden Drive to east Lot 40.

G) Chemistry addition project until 2021
Chemistry addition completed. Lot 65 closed until 2021 (end of Chemistry construction). The eastern sidewalk near the Chemistry Building is closed; pedestrians should use the west sidewalk. One University Avenue lane closed from N. Brooks Street to N. Charter Street until the completion of the Chemistry addition project in 2021.

H) Willow Creek pedestrian/bicycle bridge closed
Closed until further notice. Closed as a safety precaution; bridge needs structural repairs. Structural analysis to be conducted to determine next steps.

I) Primate Center fan replacement
Friday, Nov. 16
Several stalls in the northern part of Lot 81 to be closed for the day while a crane places a fan on top of the Primate Center.
Vehicle traffic impacts
- Northbound access on Mills Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2021).
- A single lane of northbound traffic on Charter Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2021).
- Dayton Street closed Charter Street to Park Street. Local traffic and access to Lot 44 and other local buildings available via Brooks Street. (Through end of utility project - November 2019)

Transit impacts
- Route 80 rerouted from part of Dayton Street. Detours to Charter Street, then Johnson Street. Regular route resumes at Lake Street north of Johnson Street.

Metro Transit detour information can be found at mymetrobus.com.

Pedestrian impacts
- Northern crosswalk of Dayton Street closed from Charter Street to Park Street. Southern sidewalk open throughout project.
- East north/southbound crosswalk at Mills/Dayton closed; detour to west crosswalk.
- West north/southbound crosswalk at Park/Dayton closed; detour to east crosswalk.

Bicycle impacts
- Northbound access on Mills Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2021).
- Dayton Street closed Charter Street to Park Street. Northern crosswalk of Dayton Street closed from Charter Street to Park Street. Southern sidewalk open throughout project.

What’s coming
- Potential reopening in early to mid December 2019.

See transportation.wisc.edu for updates on traffic impacts due to construction.
New items denoted by *NEW*

**Vehicle traffic impacts**
- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) is only available from Charter Street. Lot 5 (contains UW Disabled permit stalls) is only accessible from Park Street.
- Lincoln Drive closed. Parking stalls behind Birge Hall relocated during this stage.

**Pedestrian impacts**
Note: placement of fences and sidewalk closures for work may vary. Follow the detours as marked by signs on site.
- The main pedestrian paths between Lathrop Hall and South Hall are unavailable. Detour to the east around the Law Building, or use paths to the west of Birge Hall to access the Bascom Hall and Hill area.
- Sidewalk connection between Birge Hall and South Hall and the Law Building is closed. Use pedestrian detour to the north via Bascom Hall or the detour to the south along University Avenue.
- South Hall solely accessible using the north-south sidewalk between North and South Halls. To access the Law Building from South Hall, you must go north to North Hall, east to the Education Building, then south. At least one ADA door available for South Hall at all times during work.
- The sidewalk from the Botany Gardens to the north Lathrop Hall building access point is closed. Detour to sidewalk near University Avenue to approach Lathrop Hall from the south or east. At least one ADA door available for Lathrop Hall at all times during work.
- Some sidewalk areas near Bascom Hall closed (southern Observatory sidewalk and north-south pathway across top of Bascom Hill). East-west foot traffic can use Observatory’s north sidewalk.

**Bicycle impacts**
- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) is only available from Charter Street. Lot 5 (contains UW Disabled permit stalls) is only accessible from Park Street.
- Lincoln Drive closed. Use Charter or Park Streets.

Visit the Bascom-Lathrop project page [facilities.fpm.wisc.edu/bascom-lathrop-utility-project/](facilities.fpm.wisc.edu/bascom-lathrop-utility-project/) for updates.
What's coming

- ~November 13 - Shift in temporary crosswalk with ADA accessibility--will be the eastern sidewalk of Easterday Lane connecting to the north Observatory Drive sidewalk.

Bicycle impacts

- Nov. 11-22, section of Observatory Drive to the east of the Natatorium closed to traffic.
  East-west traffic detours onto Linden Drive via Easterday Lane or Elm Drive.
- Campus Drive bike-ped path closed from Vet Diagnostic Lab to Farm Place egress. Closure to last until March 2020. Detour using path onto Easterday Lane or another alternative route.
  Note: Willow Creek bike-ped bridge remains closed due to structural integrity concerns.

Vehicle traffic impacts

- Nov. 11-22, section of Observatory Drive to the east of the Natatorium closed to traffic.
  East-west traffic detours onto Linden Drive via Easterday Lane or Elm Drive. Access to Lot 62 and moped lot 672—and other area lots—available from Easterday Lane and Linden Drive. Lot 57 and 58 can only be accessed via westbound traffic to Willow Drive.

Transit impacts

- Nov. 11-22 - Metro transit bus stops (including Route 80 and 84) on Observatory Drive closed between Babcock Drive and Easterday Lane. (Buses will travel Linden Drive from Charter Street to Easterday Lane.) Temporary stops available on Linden Drive near Vet Med, the Livestock Laboratory, and the Babcock/Linden intersection.

Pedestrian impacts

- Southern sidewalk closed along Observatory Drive from Easterday Lane to the new Meat Science Lab area. Detour to northern sidewalk.
- Northern sidewalk closed along Linden Drive near the Linden Drive garage site--from Farm Place to the entrance to the Vet Med building.
- Campus Drive bike-ped path closed from Vet Diagnostic Lab to Farm Place egress. Closure to last until March 2020. Detour using path onto Easterday Lane or another alternative route.
  Note: Willow Creek bike-ped bridge remains closed due to structural integrity concerns.
