A) Linden Drive - drain replacement until approximately August 16. Street completely closed from Babcock Drive to Henry Mall for storm drain replacement. Traffic (including buses) can detour via Observatory Drive. Northern sidewalk open.

B) Lot 130 closed July 9 - early September 2019. Lot 130 closed for paving and stall painting. Route 80 eastbound stop near Lot 130 (#2281) closed for the length of the project.

D) Limnology lift station repairs until Sept. 1, 2019. Lot 8 closed for lift station repair work.

E) Bascom-Lathrop utility project Package 1 until August 2019. Lathrop Drive closed, only accessible via Park Street.Mapped lot 621 closed until August 1. Started July 23 - Northbound lane of N. Charter Street from University Avenue to Observatory Drive closed for two weeks. Southbound traffic allowed, but northbound traffic detours via Park Street or Babcock Drive. Metro detours in place.

G) The Nicholas Rec Center construction until Winter 2019-2020. One eastbound lane of traffic closed; Lot 87 closed until construction completed. Work on the Nick closed Dayton Street from Park to Frances Street on July 22, lasting for three weeks. Local traffic for deliveries and Lot 48, 76, and 89 permit holders will be allowed but only via Lake Street.

J) Mills Street NB closure north of Johnson Southbound traffic open Two-way traffic to open January 2021. N. Mills Street between University Avenue and W. Johnson Street closed northbound for Chemistry addition related work. The west University Avenue crosswalk at Mills Street closed until project completed. East Mills Street sidewalk maintained, west sidewalk closed.

K) Babcock Hall addition until Spring/Summer 2022. Much of Lot 40 east closed by Babcock Hall. A temporary driveway available to the west of the Stock Pavilion; the “Farm Place” driveway is closed. Two-way traffic allowed on Babcock Drive from Linden Drive to east Lot 40.

L) Chemistry addition project until 2021. Chemistry addition completed Lot 55 closed until 2021 (end of Chemistry construction). The eastern sidewalk near the Chemistry Building is closed; pedestrians should use the west side sidewalk. One University Avenue lane closed from N. Brooks Street to N. Charter Street until the completion of the Chemistry addition project in 2021. Temporary bike lane and sidewalk area created above contrail bike lane and south sidewalk. Westbound bus stop at N. Mills closed until 2021.

M) Willow Creek pedestrian/bicycle bridge closed Closed until further notice. Closed as a safety precaution; bridge needs structural repairs. Structural analysis to be conducted to determine next steps.
