A) Bascom-Lathrop utility project
Package 2 started early September 2019
Project Phase 1 to last through November 2020
Lathrop Drive closed to through-traffic Lot 116 and some western Lot 5 sections accessible
from Charter Street and main section of Lot 5 accessible from Park Street.
Some pedestrian walkways are closed. Follow detour signs on site.
June 6 - December 2020 - Southbound lane of Park Street closed between Langdon Street
and Lathrop Drive/Lot 5 driveway. Detour using Charter or Lake Street.
**See Inset 2 for more details

B) Linden Drive parking facility construction
until early Winter 2020
Part of Lot 62 permanently closed. Project includes underground utility work, which has
closed several sidewalk areas.
**See Inset 3 for more details

C) Mills Street closure
Two-way traffic to open early 2021
Mills Street closed between University Avenue
and Johnson Street for Chemistry addition
related work. Detour using Brooks, Charter, or Park Street.
The west University Ave. crosswalk at Mills
closed until project completed. East side of
Mills sidewalk maintained, west sidewalk
closed.
**See Inset 1 for more details

D) COVID-19 testing sites
Porter Boathouse curbside and pedestrian site
opened October 6.
21 N. Park Street curbside service started
October 23 in circle drive.
Open November 12 until late December. Nielsen
Tennis Stadium serving as a community testing
site (open to public). Part of Lot 82 reserved for
those coming to be tested. No curbside testing;
Additional testing now available at the Kohl
Center, with parking for testing site visitors
available in Lot 91.

E) Babcock Hall addition
until early 2022
Much of Lot 40 east closed by Babcock
Hall. A temporary driveway available west of
the Stock Pavilion, the "Farm Place"
driveway is closed. Two-way traffic allowed on
Babcock Drive from Linden Drive to east
Lot 40.

F) Chemistry addition project
until 2022/Chemistry addition completed
Lot 55 closed until 2022 (end of Chemistry
construction). The sidewalk east of the
Chemistry Building is closed; pedestrians
should use the west side sidewalk. One
University Avenue lane closed from Brooks
Street to Charter Street until the completion of
the Chemistry addition project.
Temporary bike lane and sidewalk area
created above contraflow bike lane and south
sidewalk.

G) Natatorium replacement
until 2023
Lot 57 closed for GymNat replacement
project. Bus stop on Observatory Drive to
remain open.

H) Willow Creek pedestrian/bicycle
bridge closed
Closed permanently. Bridge closed permanently due to structural
issues, will be replaced in the future.
