Future projects

Concrete plants are closed for the winter. Major projects will begin in the spring; details will be shared closer to the expected start dates.

See Inset 1 for more details

See Inset 2 for more details

Updated February 1, 2021

Projects organized chronologically; project details may change due to weather or other factors.

City of Madison project information can be found at cityofmadison.com
Vehicle traffic impacts
• Mills Street between Johnson Street and University Avenue closed to two-way traffic until late 2021. Northbound vehicles can reach Conklin Place.
• A single lane of northbound traffic on Charter Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2022). Lot 55 closed during Chemistry project.

Transit impacts
• Mills Street between Johnson Street and University Avenue is closed. Routes 4, 13, 27, and 44 detour.
Metro Transit detour information can be found at mymetrobus.com.

Pedestrian impacts
• West side north/southbound crosswalk along Mills Street near the Chemistry building is closed; detour to east crosswalk.

Bicycle impacts
• Mills Street between Johnson Street and University Avenue is closed to two-way traffic until early to mid-2021.

What’s coming
• No updates
New/updated items denoted by "[NEW]"

Pedestrian impacts
Note: placement of fences and sidewalk closures for work may vary. Follow the detours as marked by signs on site.
• The pedestrian paths between the Education Building, Science Hall, the Law Building, and the Music Hall are partially unavailable. Detour using available paths, including the path connection between the Education and Law Buildings.
• Pedestrian bridge connecting Bascom Hill and the Humanities Building will remain open throughout work. Crosswalk connecting Bascom Hill and State Street Mall also available.

Bicycle impacts
• None

Vehicle traffic impacts
• None
