Projects organized chronologically; project details may change due to weather or other factors. City of Madison project information can be found at cityofmadison.com

A) Bascom-Lathrop utility project
Package 1 and early September 2019
Package 2 starts September 2019
As of September 3, Lathrop Drive closed to through-traffic—Lot 115 only accessible from N. Charter Street and Lot 5 only accessible from Park Street. Lincoln Drive closed. Pedestrian walkways between Lathrop Hall, South Hall, Birge Hall, and the Law Building closed. Follow detour signs on site.

B) Water pipe repairs - Orchard Street
Phase 2 — September 9-16
Critical waste water pipe restoration needed on Orchard Street between Union South and Computer Sciences building. Phase 2 — Entrance to Lot 113 (temporary parking circle) and some sidewalk removed; no access to Lot 113. Pedestrian detour around closure. To last around one week.

C) Lot 130 closed
until ~September 13, 2019
Lot 130 closed for paving and stall painting. Route 80 westbound stop near Lot 130 (#281) closed for the length of the project.

D) Limnology lift station repairs
until October 11, 2019
Lot 87 closed for lift station repair work.

E) The Nicholas Rec Center construction
until Winter 2019-2020
Lot 67 closed until construction completed.

F) Utilities - W. Dayton Street
until November 2019
Street closed from Charter to the east of the Park Street, up to Saffery loading dock. For section of Dayton east of Park: no through traffic allowed, except for housing move-in (one-way westbound). Access to Lot 44 maintained at all times. Route 80 bus detours via Charter to Johnson Street.

G) Mills Street NB closure
Southbound traffic open
Two-way traffic to open January 2021
N. Mills Street between University Avenue and W. Johnson Street closed northbound for Chemistry addition related work. The west University Avenue crosswalk at Mills Street closed until project completed. East Mills Street sidewalk maintained; west sidewalk closed.

H) Babcock Hall addition
until Spring/Summer 2021
Much of Lot 40 east closed by Babcock Hall. A temporary driveway available to the east of the Stock Pavilion; the “Farm Place” driveway is closed.

J) Chemistry addition project
until 2021
Chemistry addition completed
Lot 55 closed until 2021 (end of Chemistry construction).

K) Willow Creek pedestrian/bicycle bridge closed
Closed until further notice
Closed as a safety precaution; bridge needs structural repairs. Structural analysis to be conducted to determine next steps.
