Campus Construction -
Lot and Street Impacts/Closures Map

Current projects

A) Bascom-Lathrop utility project
Package 2 started early September 2019
Project Phase 1 to be completed by January 2020
Latham Drive closed to through traffic, Lot 115
and some western Lot 5 sections accessible
from Charter Street and main section of Lot 5
accessible from Park Street.
Some pedestrian walkways are closed. Follow
detour signs on site.
June 6 - December 22, 2020 - Southbound lane
of Park Street closed between Langston Street
and Lathrop Drive/Lot 5 driveway. Detour
using Charter or Lake Street.*

B) Linden Drive parking facility
construction
until January 2021
Part of Lot 62 permanently closed. Project
includes underground utility work, which has
closed several sidewalk areas. Colwood Drive

C) Mills Street closure
Two-way traffic to open early 2021
Mills Street closed between University Avenue
and Johnson Street for Chemistry addition
related work. Detour using Brooks, Charter, or
Park Street.
The west University Ave. crosswalk at Mills
remains closed until project completed. East side
of Mills sidewalk maintained, west sidewalk
closed.

D) COVID-19 testing sites
Porter Boathouse curbside and pedestrian site
opened October 6. 21 N. Park Street curbside service started
October 23 in circle drive.

Open November 12 until late December. Nielsen
Tennis Stadium serving as a community testing
site (open to public), part of Lot 82 reserved for
those coming to be tested. No curbside testing.

Additional testing now available at the Kohl
Center. Check parking for testing site visitors
available in Lot 91.

E) Babcock Hall addition
until early 2022
Much of Lot 40 east closed by Babcock
Hall. A temporary roadway available west of
the Stock Pavilion; the "Farm Place"
drive way is closed. Two-way traffic allowed
on Babcock Drive from Linden Drive to east
Lot 40.

F) Chemistry addition project
until 2022/Chemistry addition completed
Lot 55 closed until 2022 (end of Chemistry
construction). The sidewalk east of the
Chemistry Building is closed; pedestrians
should use the west side sidewalk. One
University Avenue lane closed from Brooks
Street to Charter Street until the completion
of the Chemistry addition project.
Temporary bike lane and sidewalk area
created above contraflow bike lane and south
sidewalk.

G) Natatorium replacement
until Spring 2023
Lot 57 closed for GymNat replacement
project. Bus stop on Observatory Drive to
remain open.

H) Willow Creek pedestrian/bicycle
bridge closed
Closed permanently, to be replaced.
Bridge closed permanently due to structural
issues, will be replaced in the future.

Future projects

Concrete plants are closing for the winter.
Major projects will begin in the spring.
Details will be shared closer to the
expected start dates.

Projects organized chronologically; project details may change due to weather or other factors.
City of Madison project information can be found at cityofmadison.com
Vehicle traffic impacts
- Mills Street between Johnson Street and University Avenue closed to two-way traffic until early 2021. Northbound vehicles can reach Conklin Place.
- A single lane of northbound traffic on Charter Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2021). Lot 55 closed during Chemistry project.

Transit impacts
- Mills Street between Johnson Street and University Avenue is closed. Routes 4, 13, 27, and 44 detour.

Metro Transit detour information can be found at mymetrobus.com.

Pedestrian impacts
- West side north/southbound crosswalk along Mills Street near the Chemistry building is closed; detour to east crosswalk.

Bicycle impacts
- Mills Street between Johnson Street and University Avenue is closed to two-way traffic until early 2021.

What’s coming
- No updates

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.
Pedestrian impacts
Note: placement of fences and sidewalk closures for work may vary. Follow the detours as marked by signs on site.
- The main pedestrian paths between the Education Building the Law Building is unavailable. Detour to the west toward the North and South Hall pedestrian path or use the pedestrian path along Observatory Drive.
- "Through" pedestrian access for Bascom Hill should detour to paths along Observatory Drive or south to the Lathrop Drive area to avoid closed areas—refer to marked detours on site.
- Pedestrian bridge connecting Bascom Hill and the Humanities Building will remain open throughout work. Crosswalk connecting Bascom Hill and State Street Mall also available.

Bicycle impacts
- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) and western section fo Lot 5 are only available from Charter Street. Primary section of Lot 5 is only accessible from Park Street.
- Lincoln Drive closed. Use Charter or Park Streets.

Vehicle traffic impacts
- Southbound Park Street unavailable between Langdon Street and Lathrop Drive. Detour using Observatory Drive (to Charter Street) or Langdon Street (to Lake Street).
- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) and western section fo Lot 5 are only available from Charter Street. Primary section of Lot 5 is only accessible from Park Street.
- Lot 9 closed as of May 11, expected closure until January 2021.
