Campus Construction - Lot and Street Impacts/Closures Map

Current projects

A) Lot 76 repair work
August 20 - early week of August 26, 2019
Repair work closing most of the eastern half of the floor. Walkway available along the south. Only one incline available for vehicles up to the second floor.

B) Water pipe repairs - Orchard Street
Phase 1 - August 20-29, 2019
Critical waste water pipe restoration needed on Orchard Street between Union South and Computer Sciences building.

C) Bascom-Lathrop utility project
Package 1 untill late August 2019
Lathrop Drive only accessible via Park Street. Moped lot 621 & 631 closed until ~August 31.

D) Lot 130 closed
until ~September 3, 2019
Lot 130 closed for paving and stall painting.

E) Limnology lift station repairs
until Oct. 1, 2019
Lot 8 closed for lift station repair work.

F) The Nicholas Rec Center construction
until Winter 2019-2020
Lot 87 closed until construction completed. Work on the Nick closed Dayton Street from Park to Frances Street on July 22, to last three weeks. Local traffic for deliveries and Lot 48, 78, and 88 permit holders will be allowed but only via Lake Street. One lane of westbound traffic will be allowed for housing move-in.

G) Utilities - W. Dayton Street
until November 2019
Street closed from Charter to the east of the Park Street, up to Gallery loading dock. For section of Dayton east of Park: no through traffic allowed, except for housing move-in (one-way westbound). Access to Lot 44 maintained at all times. Route 80 bus detours via Charter to Johnson Street.

H) Mills Street NB closure
Southbound traffic open.
Two-way traffic to open January 2021.
N. Mills Street between University Avenue and W. Johnson Street closed northbound for Chemistry addition related work. The west University Avenue crosswalk at Mills Street closed until project completed. East Mills Street sidewalk maintained, west sidewalk closed.

J) Babcock Hall addition
until Spring/Summer 2021
Much of Lot 40 east closed by Babcock Hall. A temporary driveway available to the west of the Stock Pavilion; the “Farm Place” driveway is closed. Two-way traffic allowed on Babcock Drive from Linden Drive to east Lot 40.

K) Chemistry addition project cont.
until 2021/Chemistry addition completed
Lot 55 closed until 2021 (end of Chemistry construction). The eastern sidewalk near the Chemistry Building is closed; pedestrians should use the west side sidewalk.

Future projects

I) Water pipe repairs - Orchard Street
Phase 2 - September 3-19
Critical waste water pipe restoration needed on Orchard Street between Union South and Computer Sciences building.

Phase 2 - Entrance to Lot 113 (temporary parking circle) and some sidewalk removed; no access to Lot 113. Pedestrian detour around closure. To last around one week.

Projects organized chronologically; project details may change due to weather or other factors.
City of Madison project information can be found at cityofmadison.com

UW residence hall move-in is August 27, 31, and September 1 between 7 a.m. and 6 p.m. These roads will be affected:

1) Observatory Dr. from Charter St. to Babcock Dr. will be restricted to primarily move-in traffic, and will be one-way westbound.
2) Elm Dr. north from Observatory Dr. will be restricted to primarily move-in traffic and will be one-way northbound.
3) Lake Street between Johnson and Dayton Streets will be closed to traffic.
4) Dayton St. from Frances St. to Park St. is closed to through traffic. Access will be restricted to primarily move-in traffic and will be one-way westbound.
5) Frances St. south of Dayton will be closed to traffic.
