Updated October 10, 2019
Projects organized chronologically; project details may change due to weather or other factors.
City of Madison project information can be found at cityofmadison.com

A) Parking facility repairs
Select areas in lots closed for facility repairs. October 9-18 - Lot 46 concrete repairs

B) Limnology lift station repairs
until October 25, 2019
Lot 8 closed for lift station repair work.

C) Utilities - W. Dayton Street until November 2019
Street closed from Charter to Park Street. Access to Lot 44 maintained at all times.
Route 50 bus detours via Charter Street to Johnson Street.
Northern sidewalk closed along Dayton Street in construction–detour to southern sidewalk.
**See Insert 1 for more details

D) The Nicholas Rec Center construction until January 2020
Lot 67 closed until construction completed.

E) Bascom-Lathrop utility project
Package 2 started early September 2019
Full project to last through November 2020
Lot 115 only accessible from N. Charter Street and Lot 5 only accessible from Park Street. Lincoln Drive closed.
Pedestrian walkways between Lathrop Hall, South Hall, Birge Hall, and the Law Building closed.
Follow detour signs on site.
**See Insert 1 for more details

F) Linden Drive new parking facility construction
until late Fall 2020
Part of Lot 62 closed to make space for a new gated parking facility. Project will include underground utility work, which has closed several sidewalk areas. The bicycle path running behind Van Med will be closed Oct. 21 until March 2020.
**Starting Oct. 21 and lasting about two weeks, traffic cannot turn onto (or from) Easenaday Lane from (or to) Observatory Drive. Access to Lot 62 and moped lot 672 available from Easenaday via Linden Drive.

G) Mills Street NB closure
Southbound traffic open
Two-way traffic to open January 2021
N. Mills Street between University Avenue and Johnson Street closed northbound for Chemistry addition related work.
The west University Ave. crosswalk at Mills closed until project completed. East side of Mills sidewalk maintained, west sidewalk closed.

H) Babcock Hall addition
until Spring/Summer 2021
Much of Lot 40 east closed by Babcock Hall.
A temporary driveway available to the east of the Stock Pavilion; the "Farm Place" driveway is closed. Two-way traffic allowed on Babcock Drive from Linden Drive to east Lot 40.

J) Chemistry addition project cont.
One University Avenue lane closed from N. Brooks Street to N. Charter Street until the completion of the Chemistry addition project in 2021. Temporary bike lane and sidewalk area created above contraflow bike lane and south sidewalk. Westbound bus stop at N. Mills closed until 2021.

K) Willow Creek pedestrian/bicycle bridge closed
Closed until further notice.
Closed to the safety precaution; bridge needs structural repairs. Structural analysis to be conducted to determine next steps.

L) Parking facility repairs
Select areas in lots closed for facility repairs.
* October 14-23 - Lot 93 caulking and weld plate repairs
* October 20-28 - Lot 76 roof joint repairs
* October 21-28 - Lot 29 repairs (caulk, weld, concrete work)
* October 28 - November 8 - Lot 76 repairs (caulk, weld, concrete work)
**Vehicle traffic impacts**
- Northbound access on Mills Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2021).
- A single lane of northbound traffic on Charter Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2021).
- Dayton Street closed Charter Street to Park Street. Local traffic and access to Lot 44 and other local buildings available via Brooks Street. (Through end of utility project - November 2019)

**Transit impacts**
- Route 80 rerouted from part of Dayton Street. Detours to Charter Street, then Johnson Street. Regular route resumes at Lake Street north of Johnson Street.

Metro Transit detour information can be found at mymetrobus.com.

**Pedestrian impacts**
- Northern crosswalk of Dayton Street closed from Charter Street to Park Street. Southern sidewalk open throughout project.
- East north/southbound crosswalk at Mills/Dayton closed; detour to west crosswalk.
- West north/southbound crosswalk at Park/Dayton closed; detour to east crosswalk.

**Bicycle impacts**
- Northbound access on Mills Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2021).
- Dayton Street closed Charter Street to Park Street. Northern crosswalk of Dayton Street closed from Charter Street to Park Street. Southern sidewalk open throughout project.

See [transportation.wisc.edu](http://transportation.wisc.edu) for updates on traffic impacts due to construction
Vehicle traffic impacts

- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) is only available from Charter Street. Lot 5 (contains UW Disabled permit stalls) is only accessible from Park Street.
- Lincoln Drive closed. Parking stalls behind Birge Hall relocated during this stage.

Bicycle impacts

- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) is only available from Charter Street. Lot 5 (contains UW Disabled permit stalls) is only accessible from Park Street.
- Lincoln Drive closed. Use Charter or Park Streets.

Pedestrian impacts

Note: placement of fences and sidewalk closures for work may vary. Follow the detours as marked by signs on site.

- The main pedestrian paths between Lathrop Hall and South Hall are unavailable. Detour to the east around the Law Building, or use paths to the west of Birge Hall to access the Bascom Hall and Hill area.
- Sidewalk connection between Birge Hall and South Hall and the Law Building is closed. Use pedestrian detour to the north via Bascom Hill or the detour to the south along University Avenue.
- South Hall solely accessible using the north-south sidewalk between North and South Halls. To access the Law Building from South Hall, you must go north to North Hall, east to the Education Building, then south. At least one ADA door available for South Hall at all times during work.
- The sidewalk from the Botany Gardens to the north Lathrop Hall building access point is closed. Detour to sidewalk near University Avenue to approach Lathrop Hall from the south or east. At least one ADA door available for Lathrop Hall at all times during work.
