A) Observatory Drive closure by Natatorium
October 7 to October 19, 2020
Observatory Drive closed between Eastcross Lane and Willow Drive for Natatorium and new parking structure related construction work. Metro bus stops and park and ride stops relocated to Linden Drive.

B) Bascom-Lathrop utility project
Package 2 started early September 2019
Project Phase 1 to last through November 2020
Lathrop Drive closed to through-traffic—Lot 115 and some western Lot 5 sections accessible from Charter Street and main section of Lot 5 accessible from Park Street. Starting May 11, Lot 9 closed until Jan. 2021. Some pedestrian walkways are closed. Follow detour signs on site.

June 6 - November 2020 - Southbound lane of Park Street closed between Langston Street and Lathrop Drive/the Lot 5 driveway. Detour using Charter or Lake Street. **See Inset 2 for more details**

C) Linden Drive parking facility construction
until early Winter 2020
Part of Lot 62 closed. Project includes underground utility work, which has closed several sidewalk areas. **See Inset 3 for more details**

D) Mills Street closure
Two-way traffic to open early 2021
Mills Street between University Avenue and Johnson Street for Chemistry addition related work. Detour using Brooks, Charter, or Park Street.

The east University Ave. crosswalk at Mills closed until project completed. East side of Mills sidewalk maintained, west sidewalk closed. **See Inset 1 for more details**

E) COVID-19 testing sites
until late April 2021
Henry Mall testing site closed after October 2
Porter Boat House drive-thru and pedestrian site opens October 6.

F) Babcock Hall addition
until Spring/Summer 2021
Much of Lot 40 east closed by Babcock Hall. A temporary driveway available west of the Stock Pavilion; the “Farm Place” driveway is closed. Two-way traffic allowed on Babcock Drive from Linden Drive to east Lot 40.

G) Chemistry addition project
until 2022
Chemistry addition completed (Lot 55 closed until 2022 (end of Chemistry construction). The eastern sidewalk near the Chemistry Building is closed. Pedestrians should use the west side sidewalk. One University Avenue lane closed from N. Brooks Street to N. Charter Street until the completion of the Chemistry addition project.

Temporary bike lane and sidewalk area created above contrail west bike lane and south sidewalk.

H) Natatorium replacement
until Spring 2023
Lot 57 closed for Gymnalt replacement project. Bus stop to remain open.

J) Willow Creek pedestrian/bicycle bridge closed
Closed until further notice
Bridge needs repairs, structural analysis to be conducted to determine next steps.

- **Future projects**
  - I) Chemistry project - crane removal
    October 11-14, 2020
    Removal of the crane for the Chemistry addition project. Two lanes of University Avenue will remain open for westbound traffic. Bike lanes closed—walk bike along north sidewalk between N. Mills and N. Charter Street.

Projects organized chronologically; project details may change due to weather or other factors.

Vehicle traffic impacts
- Mills Street between Johnson Street and University Avenue closed to two-way traffic until early 2021. Northbound vehicles can reach Conklin Place.
- A single lane of northbound traffic on Charter Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2021). Lot 55 closed during Chemistry project.

Transit impacts
- Mills Street between Johnson Street and University Avenue is closed. Routes 4, 13, 27, and 44 detour.

Metro Transit detour information can be found at mymetrobus.com.

Pedestrian impacts
- West side north/southbound crosswalk along Mills Street near the Chemistry building is closed; detour to east crosswalk.

Bicycle impacts
- Mills Street between Johnson Street and University Avenue is closed to two-way traffic until early 2021.

What’s coming
- No updates

See transportation.wisc.edu for updates on traffic impacts due to construction.
Pedestrian impacts
Note: placement of fences and sidewalk closures for work may vary. Follow the detours as marked by signs on site.

- The main pedestrian paths between the Education Building the Law Building is unavailable. Detour to the west toward the North and South Hall pedestrian path or use the pedestrian path along Observatory Drive.
- "Through" pedestrian access for Bascom Hill should detour to paths along Observatory Drive or south to the Lathrop Drive area to avoid closed areas—refer to marked detours on site.
- Pedestrian bridge connecting Bascom Hill and the Humanities Building will remain open throughout work. Crosswalk connecting Bascom Hill and State Street Mall also available.

Bicycle impacts

- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) and western section fo Lot 5 are only available from Charter Street. Primary section of Lot 5 is only accessible from Park Street.
- Lincoln Drive closed. Use Charter or Park Streets.

Vehicle traffic impacts

- Southbound Park Street unavailable between Langdon Street and Lathrop Drive. Detour using Observatory Drive (to Charter Street) or Langdon Street (to Lake Street).
- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) and western section fo Lot 5 are only available from Charter Street. Primary section of Lot 5 is only accessible from Park Street.
- Lot 9 closed as of May 11, expected closure until January 2021.
Vehicle traffic impacts

• **[NEW]** Observatory Drive closed between Easterday Lane and Willow Drive. East-west traffic detours onto Linden Drive (reopened). Closure October 7 - 19.

• Lot 57 closed until early 2023 (completion of Gym-Nat replacement).

Transit impacts

• **[NEW]** Metro Transit buses detour off Observatory Drive to Linden Drive for the stretch between Babcock Drive to Easterday Lane. Park and ride shuttles will allow detour.

Bicycle impacts

• **[NEW]** Metro Transit bus routes detour off Observatory to Linden Drive from Babcock Drive to Easterday Lane.

Pedestrian impacts

• Partial closure of the southern sidewalk along Observatory Drive. Detour to northern sidewalk.

• Northern sidewalk closed along Linden Drive near the Linden Drive garage site—from Farm Place to the entrance to the Vet Med building.

• ADA pathway created that connects the Natatorium to Lot 62 to the Vet Med building.

Note: Willow Creek bike-ped bridge remains closed due to structural integrity concerns.
