Current projects

A) Lot 75 structural repairs
May 18-25, 2020
Repairs inside Lot 75 affect some traffic flow within the ramp.

B) Lake Mendota Drive lane closures
May 28-30, 2020 (3 days)
Small sections of Lake Mendota drive closed for repair; eastbound traffic uses westbound lane, westbound traffic detours to Eagle Heights Drive loop. Flaggers on site.

C) Utilities - W. Dayton Street
until mid-June 2020
Final site restoration (Charter to Park Street). Route 80 detours to Johnson Street. **See Inset 1 for more details

D) Bascom Hall roof repair
until late June 2020
Lot 11 visitor meter and service/vendor stalls closed for staging. Other nearby parking options available.

E) The Nicholas Rec Center construction
until late Summer 2020
Lot 87 closed until all construction completed. Southern sidewalk closed until late July 2020. Road repaving May 21-22 with flaggers on site to direct traffic.

F) Field House improvements
until Aug. 31, 2020
Lot 19 closed for UW Field House project.

G) Bascom-Lathrop utility project
Package 2 started early September 2019
Full project to last through November 2020. Lathrop Drive closed to through-traffic-Lot 115 accessible from Charter Street and Lot 5 accessible from Park Street.

H) Linden Drive new parking facility construction
until early Winter 2020
Part of Lot 62 closed. Project includes underground utility work, which has closed several sidewalk areas. The bicycle path running behind Van Med closed Oct. 21, 2019 until end of summer 2020. May 28 - mid-August - Linden Drive closure in front of Veterinary Medicine building to complete underground utilities work. **See Inset 3 for more details

I) Mills Street closure
Two-way traffic to open late 2020/early 2021
Mills Street closed between University Avenue and Johnson Street for Chemistry addition related work. Detour using Brooks, Charter, or Park Street. The west University Ave. crosswalk at Mills closed until project completed. East side of Mills sidewalk maintained, west sidewalk closed.

**See Inset 1 for more details

K) Babcock Hall addition
until Spring/Summer 2021
Much of Lot 40 east closed by Babcock Hall. A temporary driveway available west of the Block Pavilion; the Farm Place driveway is closed. Two-way traffic allowed on Babcock Drive from Lindent Drive to east Lot 40.

L) Chemistry addition project
until 2022 (Chemistry addition completed Lot 55 closed until 2022 (end of Chemistry construction). The eastern sidewalk near the Chemistry Building is closed; pedestrians should use the west side sidewalk. One University Avenue lane closed from N. Brooks Street to N. Charter Street until the completion of the Chemistry addition project.

Future projects

I) Highland Avenue westbound lane closure
early June 2020 (~3 days)
Westbound lane of Highland Avenue closed near HSLC. Detour to Marsh Drive, Walnut, Observatory, then back to Highland Avenue.

M) Willow Creek pedestrian/bicycle bridge closed
Closed until further notice
Bridge needs repairs, structural analysis to be conducted to determine next steps.

Updated May 22, 2020
Projects organized chronologically; project details may change due to weather or other factors. City of Madison project information can be found at cityofmadison.com
Vehicle traffic impacts

- Mills Street between Johnson Street and University Avenue closed to two-way traffic until late 2020. Northbound vehicles can reach Conklin Place.
- A single lane of northbound traffic on Charter Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2021). Lot 55 closed during Chemistry project.
- Dayton Street closed to two-way traffic between Park Street and Charter Street. Local access and access to/from Lot 44 available using Brooks Street. North-south cross traffic allowed at Mills and Charter Streets.

Transit impacts

- Mills Street between Johnson Street and University Avenue is closed. Routes 4, 13, 27, and 44 detour.
- April 3 - Summer 2020 (June), Route 80 detours from Dayton Street to Johnson Street between Charter and Lake Streets.

Metro Transit detour information can be found at mymetrobus.com.

Pedestrian impacts

- West side north/southbound crosswalk along Mills Street near the Chemistry building is closed; detour to east crosswalk.

Bicycle impacts

- Mills Street between Johnson Street and University Avenue is closed to two-way traffic until late 2020.
- Dayton Street closed to two-way traffic between Park Street and Charter Street.

See transportation.wisc.edu for updates on traffic impacts due to construction.
Campus construction - Lot and Street Impacts/Closures Map | Inset 2

Vehicle traffic impacts
- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) is only available from Charter Street. Lot 5 (contains UW Disabled permit stalls) is only accessible from Park Street.
- Lincoln Drive closed. Parking stalls behind Birge Hall relocated during this stage.

Pedestrian impacts
Note: placement of fences and sidewalk closures for work may vary. Follow the detours as marked by signs on site.
- The main pedestrian paths between Lathrop Hall and South Hall are unavailable. Detour to the east around the Law Building, or use paths to the west of Birge Hall to access the Bascom Hall / Hill area.
- Sidewalk connection between Birge Hall and South Hall and the Law Building is closed. Use pedestrian detour to the north via Bascom Hill or the detour to the south along University Avenue.
- South Hall solely accessible using the north-south sidewalk between North and South Halls. To access the Law Building from South Hall, you must go north to North Hall, east to the Education Building, then south. At least one ADA door available at all times.
- The sidewalk from the Botany Gardens to the north Lathrop Hall building access point is closed. Detour to sidewalk near University Avenue to approach Lathrop Hall from the south or east. At least one ADA door available for Lathrop Hall throughout work.
- Some sidewalk areas near Bascom Hall closed (southern Observatory sidewalk and north-south pathway across top of Bascom Hill). East-west foot traffic can use Observatory’s north sidewalk.

Bicycle impacts
- No through-traffice on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) is only available from Charter Street. Lot 5 (contains UW Disabled permit stalls) is only accessible from Park Street.
- Lincoln Drive closed. Use Charter or Park Streets.

What’s coming
- Next stage to begin Summer 2020 (June). Lane of southbound Park Street to close Langdon Street to Lathrop Drive approximately *[NEW]* May 28 - July 2020.

Visit the Bascom-Lathrop project page facilities.fpm.wisc.edu/bascom-lathrop-utility-project/ for updates

Campus construction - Lot and Street Impacts/Closures Map | Inset 3

What’s coming
• Late May (May 26) to mid-August - Linden Drive will close in front of Veterinary Medicine for underground utility work. Access to lots and loading dock areas behind Vet Med available.

Bicycle impacts
• Campus Drive bike-ped path closed from Vet Diagnostic Lab to Farm Place egress. Closure to last until Spring 2020. Detour using path onto Easterday Lane or another alternative route.

Note: Willow Creek bike-ped bridge remains closed due to structural integrity concerns.

## Vehicle traffic impacts
• *[NEW]* Linden Drive closed from Easterday Lane to Farm Place. Access available to parking areas behind Veterinary Medicine by using Easterday Lane. Lot 39 and 12 can be accessed from Linden Drive but will have to reach Linden by way of Elm Drive.

• *[NEW]* A temporary driveway will also be available to Lot 123/the Veterinary Medicine loading dock from Farm Place.

## Transit impacts
• The eastbound Observatory & Natatorium bus stop (#2267) remains open, but has relocated about half a block west.

## Pedestrian impacts
• Partial closure of the southern sidewalk along Observatory Drive. Detour to northern sidewalk.

• Northern sidewalk closed along Linden Drive near the Linden Drive garage site—from Farm Place to the entrance to the Vet Med building.

• ADA pathway created that connects the Natatorium to Lot 62 to the Vet Med building.

• Campus Drive bike-ped path closed from Vet Diagnostic Lab to Farm Place egress. Closure to last until approximately August 2020. Detour using path onto Easterday Lane or another alternative route.

Note: Willow Creek bike-ped bridge remains closed due to structural integrity concerns.

See transportation.wisc.edu for updates on traffic impacts due to construction.
