Projects organized chronologically; project details may change due to weather or other factors.

City of Madison project information can be found at cityofmadison.com

A) Bascom-Lathrop utility project
   Package 2 started early September 2019
   Project Phase 2 to last through November 2020
   Lathrop Drive closed to through-traffic Lot 116 and some western Lot 5 sections accessible from Charter Street and main section of Lot 5 accessible from Park Street.
   June 6 - December 2020 - Southbound lane of Park Street closed between Langdon Street and Lathrop Drive/The Lot 5 driveway. Detour using Charter or Lake Street.
   **SeeInset 2 for more details**

B) Linden Drive parking facility construction
   until early Winter 2020
   Part of Lot 62 permanently closed. Project includes underground utility work, which has closed several sidewalk areas.
   **See Insert 3 for more details**

C) Mills Street closure
   Two-way traffic to open early 2021
   Mills Street closed between University Avenue and Johnson Street for Chemistry addition related work. Detour using Brooks, Charter, or Park Street.
   The west University Ave. crosswalk at Mills closed until project completed. East side of Mills sidewalk maintained, west sidewalk closed.
   **See Insert 1 for more details**

D) COVID-19 testing sites
   Porter Boathouse curbside and pedestrian site opened October 6
   21 N. Park Street curbside service started October 23 in circle drive.
   Open November 12 until late December. Nielsen Tennis Stadium serving as a community testing site (open to public), part of Lot 82 reserved for those coming to be tested. No curbside testing.
   Additional testing now available at the Kohl Center, with parking for testing site visitors available in Lot 91.

E) Babcock Hall addition
   until early 2022
   Much of Lot 40 east closed by Babcock Hall. A temporary driveway available west of the Stock Pavilion, the "Farm Place" driveway is closed. Two-way traffic allowed on Babcock Drive from Linden Drive to east Lot 40.

F) Chemistry addition project
   until 2022/Chemistry addition completed
   Lot 55 closed until 2022 (end of Chemistry construction). The sidewalk east of the Chemistry Building is closed; pedestrians should use the west side sidewalk. One University Avenue lane closed from Brooks Street to Charter Street until the completion of the Chemistry addition project. Temporary bike lane and sidewalk area created above contraflow bike lane and south sidewalk.

G) Natatorium replacement
   until Spring 2023
   Lot 57 closed for GymNat replacement project. Bus stop on Observatory Drive to remain open.

H) Willow Creek pedestrian/bicycle bridge closed
   Closed permanently; to be replaced
   Bridge closed permanently due to structural issues, will be replaced in the future.
Vehicle traffic impacts
- Mills Street between Johnson Street and University Avenue closed to two-way traffic until early 2021. Northbound vehicles can reach Conklin Place.
- A single lane of northbound traffic on Charter Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2021). Lot 55 closed during Chemistry project.

Transit impacts
- Mills Street between Johnson Street and University Avenue is closed. Routes 4, 13, 27, and 44 detour.
- Metro Transit detour information can be found at mymetrobus.com.

Pedestrian impacts
- West side north/southbound crosswalk along Mills Street near the Chemistry building is closed; detour to east crosswalk.

Bicycle impacts
- Mills Street between Johnson Street and University Avenue is closed to two-way traffic until early 2021.

What’s coming
- No updates

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.
Campus construction - Lot and Street Impacts/Closures Map | Inset 2

What's coming

• Southbound Park Street expected to reopen to traffic in late December.

Pedestrian impacts

- The main pedestrian paths between the Education Building the Law Building is unavailable. Detour to the west toward the North and South Hall pedestrian path or use the pedestrian path along Observatory Drive.
- "Through" pedestrian access for Bascom Hill should detour to paths along Observatory Drive or south to the Lathrop Drive area to avoid closed areas—refer to marked detours on site.
- Pedestrian bridge connecting Bascom Hill and the Humanities Building will remain open throughout work. Crosswalk connecting Bascom Hill and State Street Mall also available.

Bicycle impacts

- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) and western section fo Lot 5 are only available from Charter Street. Primary section of Lot 5 is only accessible from Park Street.
- Lincoln Drive closed. Use Charter or Park Streets.

Vehicle traffic impacts

- Southbound Park Street unavailable between Langdon Street and Lathrop Drive. Detour using Observatory Drive (to Charter Street) or Langdon Street (to Lake Street).
- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) and western section fo Lot 5 are only available from Charter Street. Primary section of Lot 5 is only accessible from Park Street.
- Lot 9 closed as of May 11, expected closure until January 2021.

Visit the Bascom-Lathrop project page facilities.fpm.wisc.edu/bascom-lathrop-utility-project/ for updates

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.
Vehicle traffic impacts
• Lot 57 closed until early 2023 (completion of Gym-Nat replacement).

Transit impacts
• Temporary eastbound bus stop located outside of area currently closed for parking garage project.

Bicycle impacts
Note: Willow Creek bike-ped bridge remains closed due to structural integrity concerns.

Pedestrian impacts
• Partial closure of the southern sidewalk along Observatory Drive. Detour to northern sidewalk.
• Northern sidewalk closed along Linden Drive near the Linden Drive garage site—from Farm Place to the entrance to the Vet Med building.
• ADA pathway created that connects the Natatorium to Lot 62 to the Vet Med building.

Note: Willow Creek bike-ped bridge remains closed due to structural integrity concerns.

What’s coming
• Lot 67 (Linden Drive Garage) tenatively open to the public in mid-to-late December 2020.

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.
