

Footpath to Picnic Point 0.5 mi

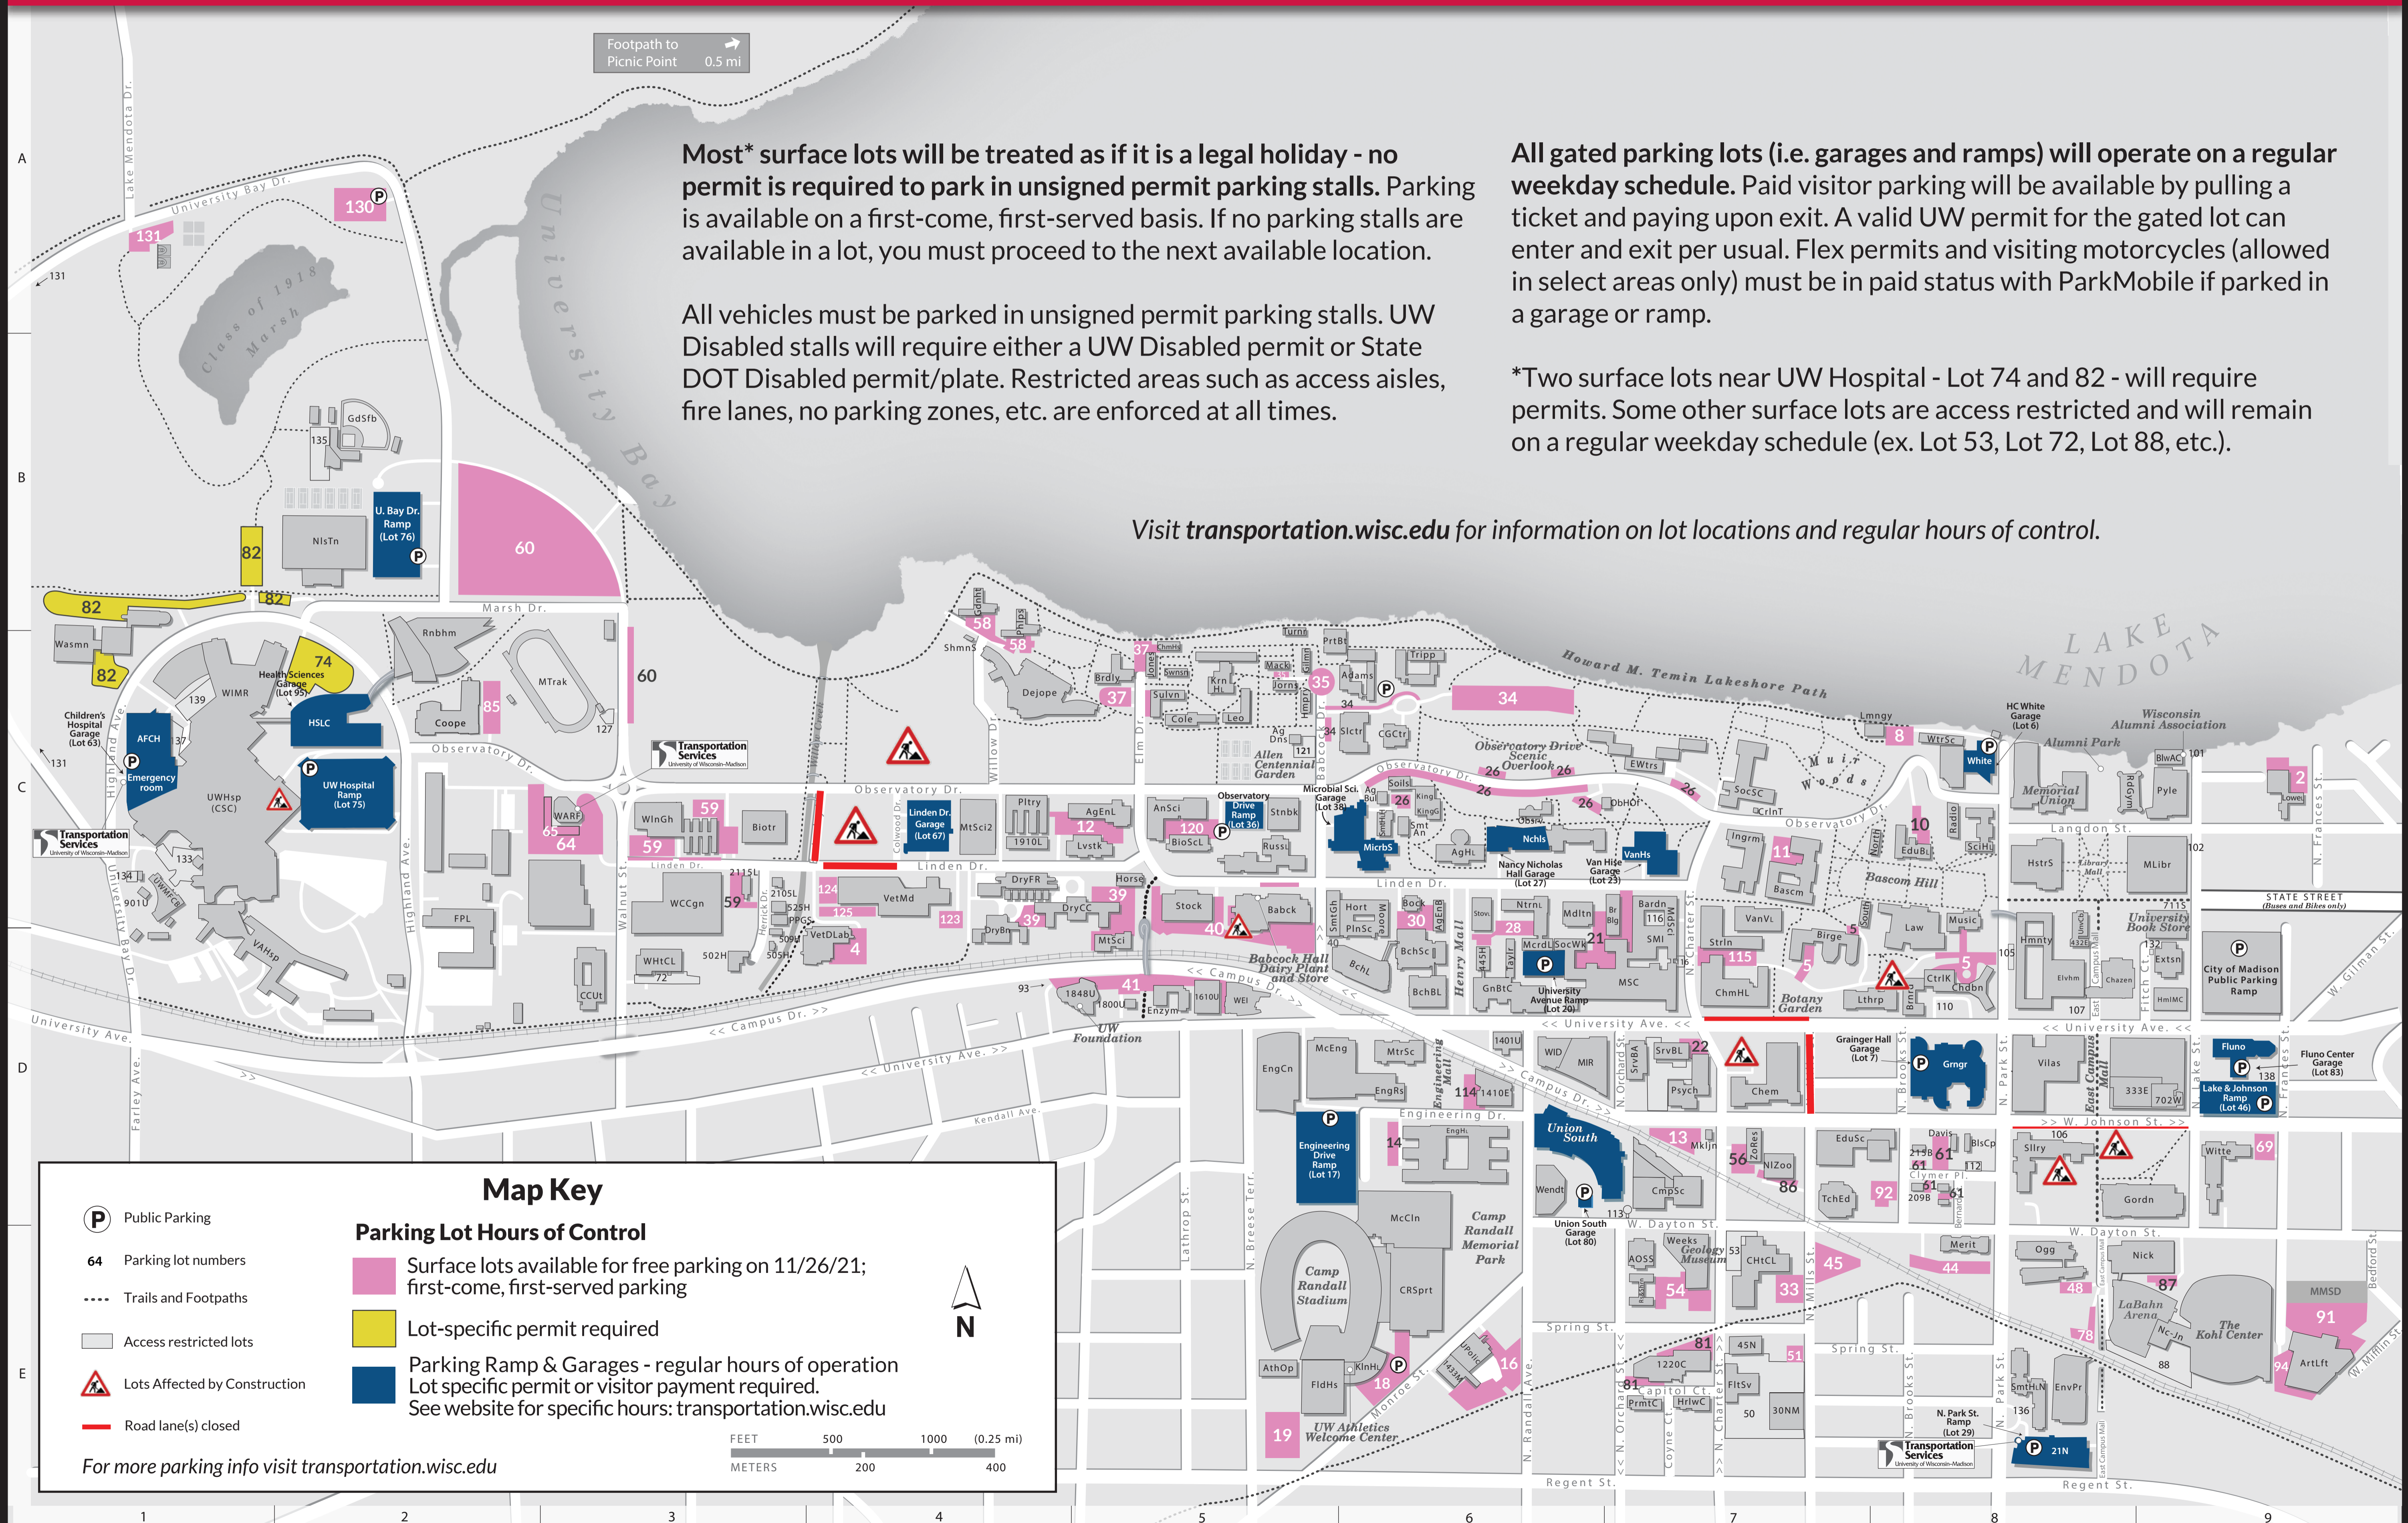

Most* surface lots will be treated as if it is a legal holiday - no permit is required to park in unsigned permit parking stalls. Parking is available on a first-come, first-served basis. If no parking stalls are available in a lot, you must proceed to the next available location.

All vehicles must be parked in unsigned permit parking stalls. UW Disabled stalls will require either a UW Disabled permit or State DOT Disabled permit/plate. Restricted areas such as access aisles, fire lanes, no parking zones, etc. are enforced at all times.

All gated parking lots (i.e. garages and ramps) will operate on a regular weekday schedule. Paid visitor parking will be available by pulling a ticket and paying upon exit. A valid UW permit for the gated lot can enter and exit per usual. Flex permits and visiting motorcycles (allowed in select areas only) must be in paid status with ParkMobile if parked in a garage or ramp.

*Two surface lots near UW Hospital - Lot 74 and 82 - will require permits. Some other surface lots are access restricted and will remain on a regular weekday schedule (ex. Lot 53, Lot 72, Lot 88, etc.).

Visit transportation.wisc.edu for information on lot locations and regular hours of control.
