*Reduced cost permit options

Reduced cost parking permit program

At the request of campus administration, UW Transportation Services [created reduced and low-cost product options](#) during the 2020-21 parking year for certain lower wage-earning employee groups.

These offerings were originally intended only for the 2020-21 parking year and were continued through the 2021-22 parking year. The program expanded in the 2022-23 parking year and continued through 2023-24. The existing program will be extended through 2024-25. Information regarding eligible groups and salary thresholds to qualify for the program can be found on the Transportation Services website: <https://transportation.wisc.edu>.

2023-24 eligible groups and salary threshold	2024-25 eligible groups and salary threshold
<ul style="list-style-type: none">• UW employees with a gross hourly pay rate less than \$18.35 per hour• UW Hospital and Clinics employees with a gross hourly pay rate less than \$30 per hour• Most UW-Madison graduate and professional students with a gross biweekly pay rate less than \$1468	<ul style="list-style-type: none">• Check Transportation Services website for eligible groups and salary threshold information.

Reduced cost permit options for 2024-25 include:

- Semester permit: Fall 2024 or Spring 2025 - \$259 per semester
- Reduced cost base lot permit - \$618 per year

More information about reduced cost permits can be found at <https://transportation.wisc.edu/permits/reduced-and-low-cost-options/>.

Program and policy changes

No significant program or policy changes are being implemented for the 2024-25 parking year. Policy updates will be posted to the UW Policy Library by the start of the new fiscal year.
